

Lounge Hub setup guide

Before you start:

- Confirm your internet connection is stable.
- Keep your server URL, username, and password ready.
- Contact Lounge Hub support if your device uses a different app.

Steps:

1. Open your TV app store.
2. Install a compatible IPTV player recommended by Lounge Hub.
3. Open the app and choose Xstream Codes or playlist login.
4. Enter the server URL, username, and password provided after activation.
5. Save the profile and allow the content to load.
6. If channels do not load, restart the TV and check your internet connection.

Need help? Contact Lounge Hub with your device model and plan.
